Meeting and Events Venue on the Promenade in the Heart of Davos

Occupying one of the most prominent street-level positions on the Davos Promenade, this exceptional venue is just a three to five-minute walk from the Davos Congress Centre.

Its impressive shopfront, large display windows and excellent business facilities create a distinctive setting for executive meetings, private hospitality, networking events and corporate receptions. Tailored hospitality services, including catering, butler service and event management, are available through **The Butler & Gordon**.

For further information about this prime meeting and events venue, or to arrange a private viewing, please contact:

The Venue enjoys one of the most prominent and visually striking shopfront locations in the heart of Davos. Situated on the famous Promenade, the venue is passed daily by virtually every international delegation attending the Annual Global Business & Leadership Gathering, making it an exceptional opportunity to create a lasting first impression. Just a comfortable three to five-minute walk from the Davos Congress Centre, P106 combines outstanding visibility with excellent accessibility. Its prime position, impressive street presence and versatile interior make it an ideal venue for executive meetings, private hospitality, networking events, product presentations and corporate receptions.

Central Davos • Natural light • Easy arrival

The venue provides a versatile environment for delegations, executives, private clients and hosted business occasions.

EXECUTIVE MEETING & LOUNGE SPACES

Presented by The Butler & Gordon

The venue's prominent street-facing display windows provide an outstanding opportunity for bespoke branding, corporate messaging and visual presentation throughout the duration of your event. Whether showcasing your company identity, product launch, delegation branding or event graphics, the highly visible frontage creates a powerful first impression for guests and the many international delegates passing along the Promenade each day. Branding concepts and customised window graphics can be arranged by **The Butler & Gordon**, subject to local regulations and client requirements.
