

PRIVATE MEETINGS & HOSPITALITY SPACE

Presented by The Butler & Gordon

Located approximately 10 minutes' walk from the Congress Centre, this flexible venue provides a practical and adaptable environment for meetings, hospitality and private gatherings.

Positioned at street level with convenient access and parking possibilities nearby, the premises offer a versatile foundation which may be configured according to each client's individual requirements.

Illustrative room layouts, furnishings, technical installations and hospitality concepts shown may be individually arranged by The Butler & Gordon upon request and are subject to availability and additional charges.

For further information or to make a reservation, please contact The Butler & Gordon directly.

Illustrative Venue Concepts

The photographs and room settings presented throughout this brochure are intended to illustrate possible venue configurations and examples of how the premises may be arranged and presented.

Furniture, meeting layouts, executive lounge concepts, private dining arrangements, presentation equipment, specialist lighting, technical installations and hospitality services shown are provided for illustrative purposes only and do not necessarily represent the venue's standard configuration.

The Butler & Gordon will be pleased to discuss individual requirements and prepare a tailored proposal according to the wishes and objectives of each client.

A FLEXIBLE BUSINESS SETTING

Arrival • Access • Location

Located by the Promenade in Davos and approximately 10 minutes' walk from the Congress Centre, this venue provides a convenient and discreet setting for private meetings, hospitality and client gatherings.

Set slightly back from the main Promenade within a quieter access position, the premises combine central accessibility with a greater sense of privacy and controlled guest arrival.

Positioned within comfortable reach of Davos' principal business and hospitality areas, the venue offers practical access to surrounding meeting venues, hotels and event locations.

Street-level access allows for a smooth guest welcome experience, with nearby parking possibilities and uncomplicated logistics for hospitality and event support.

The reception entrance and exterior presentation shown illustrate the welcoming arrival experience and adaptable nature of the venue.

Exact venue details and viewing arrangements are available upon confirmed booking interest.

PRIVATE MEETING & LOUNGE CONCEPTS

Presented by The Butler & Gordon

Designed as a flexible and adaptable environment, the venue may be configured to support a variety of professional requirements depending on each client's individual objectives and preferred style of gathering.

Possible arrangements may include private meeting formats, boardroom and presentation layouts, executive lounge concepts and informal networking spaces.

The venue may also be supported by additional services and operational requirements arranged by The Butler & Gordon upon request.

Subject to availability and additional charges, optional arrangements may include presentation equipment, beamers, specialist lighting, office support facilities, printers, stationery, writing materials, notepads, envelopes and selected technical solutions.

Furniture layouts, room styling, equipment and supporting services are individually coordinated according to each client's brief in order to create a practical and tailored environment.

Illustrative room concepts shown are intended to demonstrate possible venue configurations only and do not necessarily represent the venue's standard set-up.

PRIVATE DINING & HOSPITALITY

Presented by The Butler & Gordon

Designed to complement meetings and private occasions, the venue may also be adapted to support selected hospitality experiences arranged according to each client's individual requirements.

Possible arrangements may include finger food receptions, hot and cold refreshments, business lunches, informal networking hospitality, private dining concepts and selected gourmet experiences.

Upon request and subject to availability and additional charges, hospitality services may be arranged and coordinated by The Butler & Gordon.

Optional arrangements may include finger food receptions, beverage service, snacks and selected gourmet specialities, Private Chef and Master Chef experiences, selected wine service, restaurant-style service teams, hostess and Butler guest welcome services, and signature cocktail concepts tailored to the occasion.

Food, beverage, service style and operational requirements are individually designed according to each client's brief and event objectives.

Illustrative dining concepts shown are intended to demonstrate possible hospitality and room configurations only and do not necessarily represent the venue's standard set-up.

SUPPORT FACILITIES & OPERATIONAL AREAS

Presented by The Butler & Gordon

STORAGE & SUPPORT AREAS

In addition to the meeting and hospitality areas, the premises also provide supporting operational spaces designed to assist with the practical requirements of private meetings and event activity.

Dedicated storage and service areas may be used, subject to requirements, for equipment placement, hospitality preparation, meeting materials, deliveries and operational support during venue occupation.

Illustrative photographs shown represent supporting operational facilities and do not necessarily indicate standard venue equipment or storage allocation.

PRIVATE VIEWINGS & FURTHER INFORMATION

Should you require further information regarding this venue, or wish to discuss accommodation, hospitality arrangements, meeting concepts or private services in Davos, The Butler & Gordon would be delighted to assist.

Private viewings of this venue, together with selected accommodation and hospitality locations represented within The Butler & Gordon portfolio, may be arranged by prior appointment.
