A FLEXIBLE BUSINESS SETTING

Arrival • Access • Location

Located in central Davos and within comfortable walking distance of the Congress Centre, T29 Talstrasse D offers an accessible and discreet setting for meetings, hospitality and private gatherings. The venue benefits from street-level access, large windows and excellent natural light. Private parking is available for up to three cars, with additional public parking nearby. Arranged over two connected levels, the location provides practical separation between formal meeting activity, hospitality service and informal networking.

Central Davos • Natural light • Easy arrival

The venue provides a versatile environment for delegations, executives, private clients and hosted business occasions.

EXECUTIVE MEETING & LOUNGE SPACES

Presented by The Butler & Gordon

The principal meeting area is centred around a substantial solid-wood table, creating a warm and confident setting for board discussions, strategy sessions, presentations and working lunches

The venue's character and relaxed hospitality atmosphere encourage productive discussion while maintaining the privacy and professionalism expected by senior guests and delegations.

HOSPITALITY & NETWORKING

Coffee • Receptions • Private Service

A dedicated coffee and service area supports guest arrival, refreshment breaks, working breakfasts, business lunches and informal receptions. The setting can be adapted to suit each client's programme and service expectations.
